DEDICATION

Education of all people is the incentive which has led to the expansion of school systems throughout the world. True to this goal, our own campus has experienced the extension of its boundaries. Ward Hall, the New Residence, and the Athletic Field testify to our belief. The future will see Plattsburgh's growth encompass the construction of Science, Physical Education, and Library Buildings; Residence and Dining Halls; and other structures necessary to the pursuit of our aims. In recognition of its importance, we therefore, dedicate this—the 1959 CARDINAL—to the expansion of State University Teachers College Plattsburgh.

CAMPUS

Hawkins Hall

The Lab school, auditoriums, gyms, cafeteria, libraries, offices, and classrooms are located within the walls of Hawkins Hall. Here, plays, operettas, assemblies, and class meetings are held. Instructors struggle to impart knowledge to their students; and the Student Personnel Offices stand ever ready to lend a helping hand.

Special student relates first hand information.

"Cafeteria 101!"

"Silence is golden!"

Ward Hall

Ward Hall contains Science, Art, and Home Economics labs, the kindergarten, faculty offices, and a lecture-demonstration theater. Its corridors abound with the delightful odors of formaldehyde, wet paint, and experimental cookery.

House plans?

Planning brings perfection.

Flunked another one!

Macdonough Hall

Macdonough Hall, besides housing 250 co-eds in its residence wings, is the scene of the College Union, center of campus social life. Its snack bar, lounge, music, T.V., game, and meeting rooms are the impromptu and organized gathering places for homework-ridden students.

"She'll be right down!"

9 o'clock break

"Got a letter!"

New Residence

Home to two hundred co-eds, the New Residence Hall has added an ultra-modern touch to the college campus. From stone window-sills and aluminum windows to walnut walls and fire-places in the lounges, the extravagant splendor of its interior and exterior appearance is evident.

Relaxation!

"Come on in!"

"Long distance!?"

Home Management House

Each Senior Home Ec spends nine weeks here, in the Home Management House, where she acquires practical experience in managing and enjoying a home.

What's the attraction?

"There's a song in the air!"

Is this a calorie free diet?

Friendship and achievement, brotherhood and leadership, signify the objectives of the Delta Kappa Delta Fraternity.

Social popularity of this group has been evidenced by their "smokers", "teas", and prominence in Plattsburgh's Tea Palaces.

Community service, however, was not overlooked by the DK's. The Community Chest Drive, the Orphan's Home, and the White Gift were aided by these diligent men.

Their large pledge group shows promising prospects for an even more profitable future for DKD.

Officers

Jerome Gottlieb, Vice-President; Rick Florin, Treasurer; Dick Phillips, Historian; Bill Favreau, Sergeant at Arms; Mickey Webb, Secretary; Bill Blanchard, President; Ronald Lavery, Delegate to House.

Pi Alpha Nu bears its high ideals of brotherhood and leadership in both its formal and informal participations in college life by striving to instill in its members a sense of pride and responsibility toward itself and the college. Although they are newly organized they have gained wide recognition especially by the new jackets they so proudly wear.

With a Social Hour in September they welcomed the new men on campus. Throughout the year they have actively engaged in college activities including Winter Weekend and Interfraternity Weekend. Following traditional fraternal ceremonies, the pledge banquet joined a new group into its brotherhood.

They have also served in various community functions.

ATHLETICS

Women's Athletic Association

The Women's Athletic Association, under the guidance of Dr. Backus, is responsible for the intramural program for the women. It has set up a point system, and the various sports days held with other colleges. These girls should be congratulated for their fine work in the athletic department.

Seated: J. Treffs, Dr. Backus, J. Fuller. *Standing:* C. Feld, B. Tibbetts, B. Engstrom, M. McLennan, S. Rankin.

Men's Intramural Board

The Men's Intramural Board is an informal group appointed to aid in the administration of the intramural athletic program. They work closely with "Doc" Wiley in the planning and execution of the men's athletic activities.

Seated: "Doc" Wiley. *Standing:* J. Keenan, H. Perkins, G. Jeffries.

SOCCER

Row 1: H. Graham, T. Jamison, W. LeBlanc, B. Stewart, P. Wight, L. Smith, W. Straight, D. Bader, D. Trudeau.
Row 2: Joe Jastrab (Coach), F. Arthur, D. Phillips, J. Lavigne, M. Shapiro, B. Bourgeois, C. Andrews, J. Lester, C. Kitchen.

With precision teamwork and a strong will to win, the soccer team handled their difficult schedule this season, which led to the best record in the school's history. Coach Joe Jastrab had much praise for his team who played a good defensive game led by co-captains John Killian and Paul Wight. Jack Potter, goalie, Charles Andrews, right wing, and Richard Phillips, center forward, brought additional honors to our school by receiving honorable mention on the All-New York State Soccer Team.

Coach

Coach Joe

From the onset of the '58-'59 season, the potentiality of our basketball team was well recognized. "The club's play was most gratifying," remarked Coach Joe Jastrab, "inasmuch as most of the opposition were taller and more experienced, but the players hustle and determination was a major factor in compiling another victorious year."

As the season opened with the loss of three of Plattsburgh's greats, the problems of the new team were well in focus, but as the club progressed, steady improvement, reaching its climax at the State University Tournament at Oswego, was the keynote of perfection for these well rounded and precision playing athletes.

Special distinction should be accredited to Jack Potter, Sophomore, who for two seasons in a row has been the only player to be honored with placing first on the All-State Tournament team. Jack was also the Cardinal's high scorer with 338 points in 19 games, giving him an average of 17.8 points per game. Three other players also reached double figures in scoring. They were; Ron McGovern with a 14.6 average, Rick Florin with a 13.5 average, and Fran Arthur with a 11.6 average. Florin garnered 374 rebounds in 18 games giving him an average of 20.8.

Team

All season he has been ranked among the top ten nationally among small college rebounds. Rick also received Eastern Colleges Athletic Conference honors for his performance in the New Paltz and Albany home games as a result of his scoring 48 points and 46 rebounds in two games—*Definitely the man to watch*. Probably the most under-rated performer on the club was co-captain Fran Arthur, the only senior. Fran should also be congratulated for his fine performance and team spirit and surely finished off his college career in admirable fashion. McGovern should also be bestowed merit for his fine outside shooting and clever change for pace. The team as a whole with 13 wins and 6 losses under their belts, with tremendous zeal and effort should long be remembered for its outstanding contributions and show a preview of what can be expected next season.

Rick Florin helps recover a lost ball.

Ron McGovern is fronted by opponent from Albany.

Junior Varsity Basketball

J. LaFountain, W. King, D. Anderson, W. LaBlanc, W. Lashway, L. Senecal, Mr. Shemet, Coach.

This year under the coaching of Steve Shemet the Jayvees played off a total of 12 games, winning 5 and suffering 7 losses. Composed of mainly Freshmen, the team, although their losses were heavy, played good defensive ball and showed that they had gained the necessary experience to qualify for college varsity basketball.

"Cardinals"

"Go Cardinals Go." This was the familiar cry of our two "Cardinal" Birds. Their presence at the games really added some more enthusiasm for the crowd of Plattsburgh rooters.

Co-Ed. Bowling

Under the watchful eye and guidance of Doc Backus, the Co-ed bowling team once again proved as healthful as well as enjoyable Thursday afternoon winter sport. The six teams were divided according to averages of individual bowlers and matched accordingly. At the termination of the season, awards were given to outstanding bowlers.

B. Santamore, B. Lucas, R. Reynolds, A. Lundgust.

Twirlers

After a year of rest, the newly organized twirlers once again appeared on the scene between the halves of the Varsity Basketball games. Precision and rhythm could be seen in the girls, and their enthusiasm was greatly accepted.

M. Coffey, J. Meldrum, L. Ruschmeyer,
M. Fisk, E. Brender.

B. Darling, B. Tibbetts, S. Asadourian, J. Fuller, S. McGee, M. Yary, S. Willett, J. Redfern, B. Cogan, C. Anderson.

Women's Field Hockey

This year the hockey teams were composed mostly of Freshmen with a few upperclassmen in their midst. The fair weather provided the ideal atmosphere for these highly spirited gals.

Women's Volleyball

This fall found its women of the campus once again partaking in the first of many activities planned for them for the year.

The second, volleyball, showed many promises of an eager Freshmen class. Their games were played in the large gymnasium in Hawkins Hall. Play days were scheduled for them, and many are looking forward to next fall.

Women's Basketball

This year, as always, the girls of P.S.T.C. came out to support this program with much enthusiasm. Class teams were organized with the help of Dr. Backus, and honor teams were chosen at the end of the season.

Men's Softball

Spring affords an opportunity for the male population on campus to engage in a competitive softball league. These intramural teams play on the new athletic field in back of Macdonough Hall. Pictured is the Champion team.

Row 1: F. McDonough, M. Webb, R. Denicore, R. Corbo, M. Bergin. *Row 2:* J. Thompson, R. McGovern, D. Johnson, J. Brooks, F. Arthur.

Women's Softball

Once again, this year, the Spring weather found the girls eagerly participating in softball competition. Following the regular season, two honor teams were chosen and playoffs were held. Awards are made to these two teams at the Athletic Banquet which is held in May.

Row 1: M. Brussell, B. Lucas, A. Yozzo, C. Batten, P. Verro. *Row 2:* N. Williams, D. Cleveland, S. Steele, S. Oliver, B. Carroll.

Intramural Basketball

Men's Intramural basketball, under Doc Wiley's coaching, affords an opportunity for learning the techniques and skills necessary for court action, and provides opportunity for competitive sport and winter evening activity for all interested students. This year All-Star teams were chosen, composed of the best players from the Tuesday and Thursday night leagues.

Kneeling: C. Searles, T. Taylor, D. Alexander, W. King, F. Boicy. *Standing:* F. Mars, H. Palkey, M. McGrire, D. Reynolds, L. De-Coste, S. Bouvais.

Tumbling

This group is composed of men and women and under the guidance of "Doc" Wiley, meet weekly and practice acrobatics and gymnastics. This year, with the addition of a trampoline, this sport increased in numbers and was a great aid in the tumbling and modern dance show presented to the Student body last March.

Here we see girls participating in two of the many aspects of tumbling.

CLASSES

Class Advisors

Alfred Light—Junior Year, Dr. Anthony Schwartz—Sophomore Year, and Dean Willard Flynt—Freshman Year.

JUNIORS

The Class of '60 "landed running" with the Dawn Dance and the sponsoring of the Chorlairens, their impetus. Junior Jervais' and their recreation of a bit of the Orient made the Sophomore Soiree a definite "hit." "Can you stand it?"—the phrase of the year became a way of life during this busy year dynamically led by Larry Willey. Juniors now! Innovations (and exclamations) as square dancing we go! A preponderance of Junior SNT's aid Dean's List augmentation. Betty Harvey led us well as we progressed through teaching, term papers, Cardinal deadlines and finally to the culminating activities of Junior Week, coronation, and the Junior Prom. Wonderful memories with us—now on to a successful Senior year!

Class Officers

Peg Mabee, President; Jackie McCormick, Secretary; Mr. Hennessy, Class advisor; Dot St. Denis, Treasurer; Barbara Carroll, Delegate to the House.

Reminiscing, treasured images of frantic Frosh days and the struggles and shenanigans of the Sophomore year are called to mind. The strains of "Dixie" float back from a fun filled Junior Week, as these ably led 59ers turn their thoughts and actions to the future. Lesson plans, Home Ec. projects, and the sweltering summers in N. Y. C.—all academic efforts assume their proper value as the goal is finally gained. "59er's proudly shout!" may ring forth for the last time, but the spirit de corps will remain an integral part of each individual.

CLASS DAY

Music surges—the “solid Southerners” assume their positions; a trifle serious with the realization that this is the beginning of the end, they raise their wands. Under the blue and gray arch pass the seniors with hesitant smiles for the tomorrow and the wonderful reality of their day. The “Saints Go Marching In”—grinning Sophomores line up to receive their last bow from the Frosh. A flick of the wrist—beanies fly, and upperclassmen at last!

Class Songs, Cardinal Presentation and the Receiving of the Mantle—the traditions of class day merge into pleasant memories.

"Our Candid Campus"

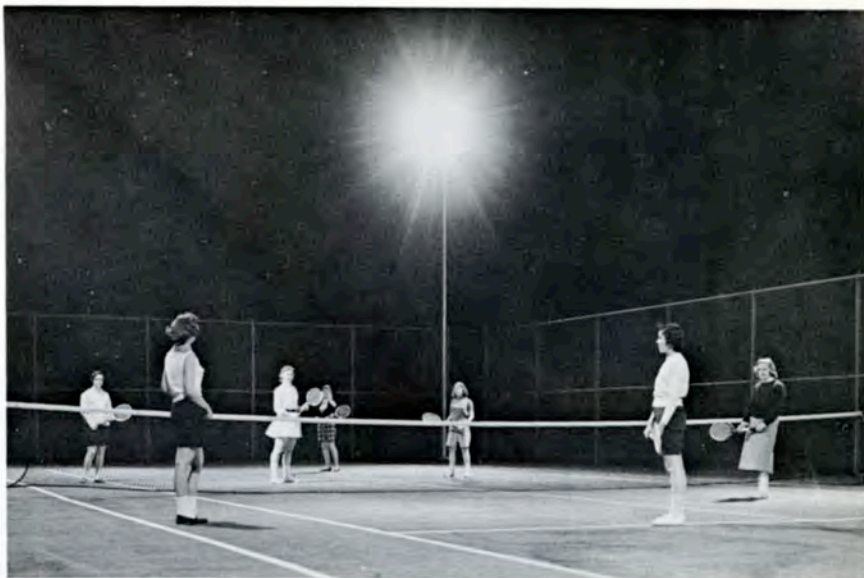

These two temporary structures located in back of Hawkins Hall house the nursery school, the education department, and spare classrooms for early hour professors. These buildings are assembled with centralized heating, modern equipment, and studious atmosphere.

"These are the times that try men's souls."

During the winter months the pond serves a two-fold purpose. As well as providing entertainment for skating enthusiasts, it bridges transportation between Hawkins and Graves Hall.

The new tennis courts behind Macdonough Hall provide a means for relieving one's frustrations through strenuous athletic activity.

Although not classified as a gambling den, the game room at Macdonough Hall stimulates many fascinating games such as hearts, pinochle, chess, and scrabble.

Who needs to plant grass when a crop like this springs each year?

ADMINISTRATION

President George W. Angell

In one sense the campus expansion is an unusual structural achievement attributable to physical needs demanded by skyrocketing birthrates. In a deeper sense, it is symbolic of the dynamic character of a democratic nation; a reaffirmation of faith in the worth of each individual and in his right to equality of educational opportunity. I am pleased, indeed, that the Cardinal staff has dedicated this year's effort to the commemoration of these fundamental truths.

Dr. Redcay

With a deep devotion to education and to people, the Dean of the College directs campus curricular and faculty policies. Evidence of his interest in all facets of college life is shown in his participation in many of its activities and his personal contributions to college entertainment, especially in his beloved field of jazz.

Dr. Tuttle

Dr. Tuttle, Associate Dean of the College, is the Director of Placement and of Graduate Studies. His duties include making available information concerning job opportunities and advising graduating students concerning school systems in which they are interested. He is responsible for the graduate program and the guidance of students working on further degrees.

Heidi Duell and Dr. Tuttle

Deans of Students

Dean Lewis

On the shoulders of the Deans of Students fall the tasks of student guidance and co-ordination of the activities of a growing school. Their deep interest in promoting high standards in both academic and social activities and their warm, friendly attitude are noted and remembered by all who come in contact with them. All student activities benefit by their valuable advice and sympathetic understanding. With confidence and experience, they carry out the administrative duties of their offices.
